

Implementation Timeline

In April 2020, the Department implemented the new incident reporting system regionally. The new process and system will be expanded to new regions every two months until full statewide implementation is achieved. As indicated below, waiver providers serving members in the Independent Care Waiver Program and the Elderly and Disabled Waiver Program who reside in the following counties will be required to follow the new incident reporting requirements outlined in waiver policy.

April 2020		
Baker	Grady	Schley
Calhoun	Harris	Seminole
Chattahoochee	Lee	Stewart
