

Technical Housekeeping

Audio Issues:

- If you can see the display but cannot hear, a dial-in number for audio via a phone is available in the calendar invitation.

Technical Issues:

- If you get disconnected or “bumped” from this WebEx meeting, please try to log back in.
- If logging back in does not work, there is a dial-in number in the calendar invitation.
- If the above options are not working, all townhalls are recorded and will be available on the EVV website within one week following the townhall.

Questions

- Please submit questions in the Q&A function and submit to “everyone”, not “host”.
- Please submit questions to the Q&A section versus the chat section of the WebEx.

EVV Service Providers

The Department of Community Health (DCH) has created a variety of material that members and service providers can review, download, and share within the Medicaid service provider community. In order to ensure a smooth transition to EVV, DCH requests that service providers and case managers inform members and their family of the upcoming EVV system implementation during their regularly scheduled outreach and interactions with members. We will be adding new information throughout our implementation. Check back often for updates!

EVV Third-Party Information

The Department of Community Health (DCH) has created a variety of materials to support third-party vendor integration with the State EVV solution, operated by Telus. In order to ensure compliance with Federally-mandated EVV requirements and a smooth implementation, DCH requests that third-party vendors work closely with DCH and Telus. We will be adding new information to the website regularly. Check back often for updates!

Third Party Vendor Attestation

Georgia DCH has selected Telus, www.telus.com, as the State selected EVV system and is making this system available at no cost to you. DCH allows providers to select their own EVV system or continue using their current EVV system however the provider is responsible for any costs associated with using the alternate EVV system.

It is the provider's responsibility to ensure their selected EVV system meets both DCH and the 21st Century Cures Act requirements. For this reason, you as the provider, are required to complete a [Third Party Attestation form](#) here. Completed forms should be sent to DCH at evv.medicaid@dch.ga.gov.

Your vendor must also complete the [Third Party Attestation form](#) found here, and return the completed form to Telus at integrations@telus.com.

Please continue to visit the DCH website for the latest information regarding EVV and Third Party Vendor integrations.
