RE: TN GA-20-0004

Dear Director Portman:

The Centers for Medicare & Medicaid Services (CMS) has reviewed the proposed Georgia state plan amendment (SPA) to Attachments 4.19-A GA-20-0004, which was submitted to CMS on June 30, 2020. This plan amendment increases the reimbursement rate for the newborn screening process from \$63.00 to \$80.40 per newborn admission.

We reviewed your SPA submission for compliance with statutory requirements, including in sections 1902(a)(2), 1902(a)(13), 1902(a)(30), and 1903 as it relates to the identification of an adequate source for the non-federal share of expenditures under the plan, as required by 1902(a)(2) of the Social Security Act and the applicable implementing Federal regulations.

Based upon the information provided by the state, we have approved the amendment with an effective date of April 1, 2020. We are enclosing the approved CMS-179 and a copy of the new state plan pages.

If you have any additional questions or need further assistance, please contact James Francis at 617-531-7575 or via email at James.Francis@cms.hhs.gov.

Sincerely,
