Dear Ms. Lynette Rhodes, Esq.,

On August 19, 2022, the Centers for Medicare and Medicaid Services (CMS) received Georgia State Plan Amendment (SPA) GA-22-0005-PPPG, in which Georgia proposed to elect its option, as authorized by sections 9812 of the American Rescue Plan Act of 2021, Pub. L. 117-2, to extend its postpartum coverage to 12 months to individuals who are pregnant when enrolled in Medicaid.

We approve Georgia State Plan Amendment (SPA) GA-22-0005-PPPG with an effective date(s) of November 01, 2022.

The state provides continuous eligibility for pregnant individuals and extended postpartum coverage in accordance with the following provisions:

#### A. Mandatory Continuous Eligibility for Pregnant Women

The state provides continuous eligibility to pregnant individuals who were eligible and enrolled under the state plan, without regard to any changes in income that otherwise would result in ineligibility, through the last day of the month in which a 60-day postpartum period (beginning on the last day of the pregnancy) ends. This extension does not apply to pregnant individuals eligible only during a period of presumptive eligibility.

#### B. Optional 12-Month Postpartum Continuous Eligibility for Pregnant Women

The state provides continuous eligibility to pregnant individuals who were eligible and enrolled under the state plan while pregnant (including during a period of retroactive eligibility) through the last day of the month in which a 12-month postpartum period (beginning on the last day of the pregnancy) ends. The 12-month postpartum continuous eligibility option applies for the period beginning on the effective date of this reviewable unit and is available through March 31, 2027 (or other date as specified by law).

No

1. This extension does not apply to pregnant individuals eligible only during a period of presumptive eligibility.
2. Full benefits are provided for a pregnant or postpartum individual under this option. This includes all items and services covered under the state plan (or waiver) that are not less in amount, duration, or scope than, or are determined by the Secretary to be substantially equivalent to, the medical assistance available for an individual described in subsection 1902 (a)(10)(A)(i) of the Act.
3. Continuous eligibility is provided to pregnant individuals eligible and enrolled under the state plan through the end of the 12-month postpartum period who would otherwise lose eligibility because of a change in circumstances, unless:
