OF COMMUNITY HEALTH

Georgia Families 360° Flash Report

March 2020

Date:
03/02/2020

Mission:

The mission of the Department of Community Health is to provide access to affordable, quality health care to Georgians through effective planning, purchasing, and oversight.

Purpose:

Shaping the future of A Healthy Georgia by improving access and ensuring quality to strengthen the communities we serve.

Georgia Families 360 °

Georgia Families 360° is Georgia's managed care program for approximately 28,000 children, youth, and young adults in foster care, children and youth receiving adoption assistance, and select youth involved in the juvenile justice system.

Georgia Families 360° program goals are to:

- Improve access to health care services, particularly for physical and behavioral health services covered by the Medicaid program.
- Increase continuity of care, including when members transition in and out of foster care.
- Enhance health outcomes by providing additional care coordination, and improved physical and behavioral health oversight.
