April 23, 2020

Dear Medicaid/PeachCare for Kids Providers:

The Department of Community Health (DCH) and DXC Technology invites you to participate in one of the Telehealth Webinars scheduled during the month of April 2020. There will be two (2) online webinars available. Providers are encouraged to send their practice managers, billing staff as well as business associates, including billing/service agents that submit Medicaid claims. The webinars will provide important information you will need to know on the following topics including, but not limited to:

- \* Originating Site
- \* Distance Site
- \* Providers that are able to perform telehealth
- \* Billing Requirements

In order to ensure all Georgia Medicaid providers can attend at least one webinar, there will be two (2) webinars on the dates below:

Monday, April 27, 2020 at 3:00 pm  
Thursday, April 30, 2020 at 1:30 pm

The webinars will be open to all providers throughout the state of Georgia. Attendees must individually register to reserve a seat. Registration must be completed online.

To register online, visit - <https://forms.gle/HiRLpwSYKPBpE8wBA>. Upon completion of your registration, a confirmation notice will be sent via e-mail to the address provided during registration. Please review the confirmation e-mail for accuracy.

The webinar confirmation e-mail will include:

1. Date and time of the webinar workshop
2. Conference phone number and pass code
3. Participant log on key

Should you have any questions regarding the Telehealth Webinars in April 2020, please contact DXC Technology via e-mail at [GAWorkshopregistration@dx.com](mailto:GAWorkshopregistration@dx.com).

Thank you for your continued participation in the Georgia Medicaid program.
