RE: Georgia State Plan Amendment 18-0007  

November 9, 2018  

Dear Mr. Fulenwider:  

We have reviewed the proposed amendment to Attachment 4.19-A of your Medicaid State plan submitted under transmittal number 18-0007. Effective for deliveries occurring on and after July 1, 2018, an additional payment per newborn delivery will increase by $250 for hospitals in rural counties with populations less than 35,000. This increase brings the total add-on payment for every delivery in hospitals in rural counties to $1,000.  

We conducted our review of your submittal according to the statutory requirements at sections 1902(a)(2), 1902(a)(13), 1902(a)(30), 1903(a), and 1923 of the Social Security Act and the implementing Federal regulations at 42 CFR 447 Subpart C. We have found that the proposed reimbursement methodology complies with applicable requirements and therefore have approved them with an effective date of July 1, 2018. We are enclosing the CMS-179 and the amended approved plan pages.  

If you have any questions, please call Anna Dubois at (850) 878-0916.  

Sincerely,  

Kristin Fan  
Director
